Recipients: All Bidders

RE: Addendum #2/ Letter of Clarification #2

For the benefit of all Contractors submitting Request for Information and to avoid possible confusion, the construction documents are clarified as follows. Please note this Letter of Clarification #2/Addendum #2 and all attachments are hereby incorporated into the construction documents.

CLARIFICATIONS:

1. **Are the hallways and corridors to receive new carpet?**
Yes, to match existing, see attached color selection per existing building.
2. **No sound proofing needed in director's office as noted on plan. Small conference and Director's Office to switch, see attached plan revisions.**
3. **Carefully remove cabinets and countertops in existing workroom and reuse in new cabinet locations.**
4. **No new acoustical ceiling insulation.**
5. **Storage room 5 has been moved, verify new scope with attached plan.**
6. **No temporary water or electrical needed due to availability in existing building.**
7. **Electrical will be design build by subcontractors.**
8. **Color selection per existing building is attached.**
9. **Keyway verified as Sargent.**
10. **Concerns about possible asbestos in existing storage room. Do not expose. Install floating LVT system throughout.**
11. **It was discussed that an AIA A105 may be a more appropriate AIA Owner Contractor agreement for stipulated sum.**
12. **PARSCO is no longer participating in this bid.**
